NAY FROM ROTHSCHILDS.

Inquiry made here among financiers and diplomats who are likely to know any facts in the case reveals control and policy made in the port of the Interest of the Condon. Spain, it is true, has made repeated attempts to raise money, as previously cabled, the most recent effort being made only a forting his age, when Rothschilds and other Enanciers who were approached emphatically and finally informed the Spanish agents that there was no money to be had from them for Spain. Diplomats here say Spain has endeavored to raise a loan among her wealthy citizens abroad affering a flor on public buildings as security, and it is thought possible this may be the source of the present disbursements.

A factor which must be taken into consideration in the purchase of ships, it is said, is that any government has the power to take ships building for foreign governments for its own use at the last moment. Great Britain, on several occasions, has done this. NAY FROM ROTHSCHILDS.

New York, March 8.—A dispatch to the World from London says:
Nothing short of a miracle can presserve the peace of the world new, it is believed among British statesmen and politicians. Not since the Napoleonic wars has danger threatened from no many quarters. Today's news from Warhington, combined with the grave indings from China and West Africa, sent comois down one-half on the stock exchange and the panicky feeling there was reflected in the house of commons lobby.
